☐ Check here if you are submitting the Medical Document to Starseed using Starseed's secure online physician portal or the secure electronic Sfax system to attest to the following:

The provincial professional licensing authority of the province(s) in which I am authorized to practice approve the use of electronic medical documents and I have chosen to submit the original Medical Document to Starseed via the secure online physician portal or secure electronic Sfax system. I acknowledge that, in the case of Sfax submission, that the faxed medical document is now the original Medical Document and that I have retained a copy of this document for my records only.

***If you are submitting by way of secure fax, please fax this completed document to 1-844-409-6686.***

We can only accept this document via the SFax system if it is sent directly from a medical office, and only with the acknowledgment by the prescribing physician that the faxed medical document is the original Medical Document, and that you have retained a copy of this document solely for your own records. Otherwise, we are pleased to accept the original paper version of the Medical Document directly from you or your patient, by mail.
